

Canada's Top Growing Companies Presented by The Globe and Mail

2019 MARKS THE FIRST YEAR of Canada's top growing Companies award program created by The Globe and Mail. We are proud and humbled to share that PLATFORM has ranked #25 out of 400 companies awarded for their entrepreneurial efforts and revenue growth over the past three years.

The full list of winners and additional information about the award is covered in the October issue of Report on Business magazine. We couldn't be more thrilled to be apart of an incredible group of companies. Congratulations to all of our fellow winners.

“ We have achieved such tremendous growth because of the amazing service our team provides to our clients. We’ve always put our team first from the day we started Platform, and we’re proud of all their hard work and what we have accomplished together in the last five years. Thank you to every member of the Platform team for making this possible.”
